

# BROADWAY GOES JAZZ

## Broadway's greatest hits with the swinging sounds of jazz – It's Broadway with a twist!

From the moment the curtain opens Broadway Goes Jazz offers a toe-tapping, finger-snapping, high-energy experience. Fun and fast-paced, this cabaret-style revue brings new life to familiar numbers from such classics as Chicago, West Side Story, Oklahoma!, Fiddler on the Roof and The Wizard of Oz.

Three dynamic singers – Blair Irwin, Cameron MacDuffee and Nathalie Nadon – are accompanied by the talents of the Jay Boehmer Trio: Michael Barber on piano, Michael Herring on bass and Jay Boehmer on drums.

The cast comprises award-winning performers who have appeared across Canada, at such world-class events as the Stratford, Shaw and Charlottetown Festivals.

Perfect for any venue – from a cozy café to a large theatre – Broadway Goes Jazz keeps audiences entertained from start to finish, delivering a swinging show with wide audience appeal.
